

Cooking and Handling Instructions

Frozen Pies: Keep frozen, handle like you would ice cream.

To Cook: Place frozen, unthawed pies on a baking sheet, pizza pan, or cooking stone, into your preheated oven at 400 degrees for 15 minutes, then reduce temperature to 350 degrees and cook for approx. 35 additional minutes.

If you're cooking "The Berry" pie, reduce time to 35 minutes at 350 degrees
